Matawan Temples Join In Land Use Agreement

Two Jewish congregations here are working together to share the cost of purchasing land on which the congregations intend to build their sanctuaries, according to a joint statement issued by Gerald Ritz, president of Temple Beth Ahm, and Andrew Sackerman, president of Temple Shalom.

In working out the agreement, representatives from the Conservative and Reform congregations met jointly with representatives from Levitt & Sons more than a year ago in order to request that land the developer had set aside for religious purposes be donated to the Jewish community.

It was determined that the 3.3-acre site at Ayrmont Lane and Church Street would be set aside for this purpose and representatives of both Temples agreed that one congregation would take the Levitt site and both would share the cost of a second site to be used by the other congregation.

A joint committee of both Temples determined that the 3.3-acre Smith property, located on Lloyd Road just east of Church Street, would be the most suitable land for this purpose. Temple Beth Ahm elected to take the Smith property with Temple Shalom contributing \$16,000 towards the \$32,000 purchase price.

Both congregations approved the agreement at respective congregational meetings and each recognized that neither will proceed beyond the land acquisition stage until both congregations have completed all necessary land transactions. It is anticipated that all land transactions shall be completed early in May, enabling both congregations to proceed with their building plans.

Road Equipment Bond Issue Hearing To Be Held Shortly

A bond issue hearing will be held shortly. The amount to be considered, \$25,000. This will be for new equipment for the road department. The hearing will not be considered important or significant, yet it has many implications for our township.

Bond issues are a delight to any municipal government because the present administration can spend and future administrations and taxpayers must pay. This is probably one of the largest factors for tax difficulties in metropolitan cities such as New York. One of the major budget items is "debt service interest and principal" which must be paid on top of a budget that is already quite high.

During the current period, the total taxes in our township have risen over 20 per cent: from \$3.26 to \$3.94. In addition, Strathmore residents will pay \$.09 fire tax and Cliffwood \$.12 fire tax. This will increase the monthly payments of the Strathmore residents at least ten dollars this year.

Similar tax increases are in order for the next few years to pay for additional school construction and municipal services. The taxes are high now, but they will be higher and more onerous in the next few years. Even then they will not

decline, but only rise at a slower rate.

A tax rate close to \$6.00 based on the present assessment ratio can be expected within the next few years; taxes almost double the present ones.

Bond issues are common and have their place in municipal financing, but they have two faults. The interest and other charges mean that at least two dollars must be paid back for every dollar borrowed. The other fault is obvious. They hold present taxes low and future taxes increase. In the face of a rapidly-rising tax rate it would seem wise to avoid bond issues.

Our township has an annual budget of almost one million dollars per year and an available bonding capacity in excess of one million dollars. It is readily apparent what will happen to present and future taxes if the township council dips into this bonding capacity as a cornerstone of their fiscal policy. Bond issues for every capital item is good politics, but irresponsible fiscal and municipal management.

Spring Choral Concert at Matawan Regional High

The chorus classes at Matawan Regional High School are presenting their Annual Concert on April 28 at 8:15 p.m., in the High School Auditorium, under the direction of Mrs. Anne Hannah.

An invitation is extended to the public to come and hear a varied musical program, ranging in style from opera to oratorio, spiritual to folk songs.

The entire school chorus will open the evening's entertainment. Featured in the program are the Varsity Singers, composed of 40 students, and the Voice Class, composed of 11 students especially selected by Mrs. Hannah. The Voice Class is staging the abridged version of the opera "Carmen" by Bizet and the boys of the Varsity Singers are making their debut at the concert. Admission will be 50c.

Arts Center and Art Show On Strathmore P.T.O. Agenda

D. Louis Tonti, Executive Director of the New Jersey Highway Authority, will discuss plans for the Garden State Arts Center, to be built at Telegraph Hill, Holmdel, at the next meeting of the Strathmore Elementary School P.T.O., Wednesday, April 3, in the All-Purpose Room of the school at 8:15 p.m. The center is now planned for a Spring-Summer 1967 opening.

Applications will be accepted until April 23 for any artists who are interested in displaying their work at the P.T.O. art show, scheduled for April 30 and May 1 in the cafeteria of the Matawan Regional High School. The show will have both paintings and sculpture and is open to professionals and gifted amateurs. Any artists who are interested should contact Mrs. David Sutliff, 31 Cypress Lane, for an application.

New Editor for OBSERVER Wanted

It is my wish to thank all the many contributors and advertisers for the past year. Without them there certainly would not have been an OBSERVER. Editing the paper for the past year has been an extremely satisfying and rewarding experience. For this opportunity, I certainly thank those who awarded me the opportunity of serving the Strathmore community.

In particular, I wish to say a very warm "THANK YOU" to Mrs. David M. Ford (Lucy), Mrs. Paul Fitzgerald (Barbara), Mrs. Edward Murphy (Barbara) and Mrs. Theodore Endresen (Dana). Without their help, I could have never succeeded in publishing a monthly OBSERVER.

This is my last issue as editor of the OBSERVER. I have not been able to find another editor for the paper. However, I am sure there must be at least others with the ability and interest who would be able to take over. There will be no more OBSERVERS if someone does not step forward to be editor. I sincerely believe that the paper performs a very worthwhile service to our community. We have advertising contracts running until next December. Advertisers have been extremely receptive to our paper.

Several people are willing to be on the staff next year, but we must have an editor; someone willing to assume responsibility for co-ordinating this publication each month.

I hope to hear from the new editor of the OBSERVER soon.

American Association Sponsors Book Drive

On April 4, the Northern Monmouth County Branch of the American Association held its regular meeting at the Presbyterian Church House, Shrewsbury. Mrs. John V. Lindholm was moderator of the panel discussion "Techniques Turn the Tide." The theme for the year has been, "Education, An Antidote for Poverty."

The drive is on for used books, hard or paperbacks for the fellowship fund. Anyone interested in transportation to meetings, membership or pick-up for books, please call Mrs. Julian Livingston, membership chairman, Englishtown, or Mrs. John Hillman, Matawan, for Matawan-Strathmore area.

High School Bridge Needs Improvement

The Parent-Teachers Association of the Matawan Regional High School has addressed a letter to the Council of Matawan Township requesting that the council and Board of Education improve the condition and appearance of the foot bridge from Deerfield Park to the High School as a matter of safety.

A joint meeting of these two groups was scheduled for March 29 and a report will be issued. For several years everyone has agreed that this footbridge should be well-lighted and maintained for the convenience of the hundreds of children and adults who use it daily. Also, for those past years both the official bodies involved have disclaimed any responsibility.

Another matter of public safety at the high school has been noted many times and has always been ignored by the official bodies involved.

The fire protection system at the high school is entirely inadequate. It would be almost useless in case of serious fire such as occurred only a few weeks ago in Long Branch. The sprinkler and stand pipe system in the building is more than adequate, but useless because of an inadequate water supply.

The water supply for the school is taken from the water mains of the Borough of Matawan in Atlantic Avenue. These lines are undersized for this purpose and even the fire company could not draw enough water from the hydrants to fight a serious fire in the school.

An excellent and adequate water supply is available for the sprinkler systems and/or a hydrant supply for the fire companies in the water lines of the Strathmore Water Company in Deerfield Park at the rear of the high school. Here there is a plentiful supply of water with pressures up to 80 pounds per square inch.

The members of the Councils of the Township and Borough and of the Board of Education are all aware of this problem, but the bureaucratic red tape prevents any corrective action.

Bank's Drive-Up Window Closed for Construction

The Farmers and Merchants Bank, Strathmore Office, will soon close its Drive-Up window in order that an additional walk-up window may be constructed. This will cause some inconvenience, but will greatly improve the bank's service to local residents in a short time.

Open Letter of Thanks

GIRL SCOUT WEEK is here and as we prepare reports on "Service in Action" to our community, we cannot help but pause to recognize with a sincere "Thank You" the many individuals and groups that have made easier our work toward the aims and goals of Scouting in the Matawan Neighborhood.

The assistance, receptiveness and cooperation which has been extended throughout our community leaves an indelible impression on the persons involved in the program.

We thank the news media for their cooperation in helping us to crow about our accomplishments and doings — it is the quickest and most direct way to let the greatest number of people know about our programs and plans.

We thank the schools, churches and groups who have shown their interest in scouting by sponsoring troops and providing meeting places.

We thank the business firms, municipal groups and other organizations who have allowed troops to visit for an insight into how the community functions.

We thank all those who have allowed us the PRIVILEGE of doing some service for them.

We thank the many persons directly involved in working with the girls in one capacity or another.

As we bridge from one level to another in scouting, the attitudes and cooperation of the community on the whole help us to teach the girls how to apply the purposes and rules of Girl Scouting to every-day living to help them cross that final bridge to useful adulthood.

Emery Manor Has First Birthday Party

A birthday party was held recently for Emery Manor Nursing Home in Matawan which opened just one year ago on March 8th. About 80 guests and friends attended the festive buffet luncheon, which featured live music on the electric organ. Volunteer members of the Matawan Township Auxiliary of the Bayshore Hospital Association assisted in serving the patients.

The highlight of the afternoon was an 85-year-old patient dancing with one of the nurses. Only six months ago the gentleman had been brought in comatose.

The staff, who were invited to attend the party, surprised Richard D. Emery, president, with a birthday gift, a large barbecue wagon, which Mr. Emery promised to use on the first warm day. Outdoor dining is a popular summertime activity at Emery Manor.

Mr. Emery is pleased with the progress of Emery Manor in its year of existence. "We have performed many vital services to the community," he said, "most important of which is assisting our hospitals by freeing valuable beds." Mr. Emery explained that about 40 per cent of Emery Manor's patients come directly from hospitals and that during the past year only six had to be re-admitted. He added that 250 patients have been accepted since Emery Manor opened, with more than half being discharged for home in improved condition.

He noted that the fact that Emery Manor has been approved by the American Hospital Association makes it eligible to participate in Medicare without any further accreditation from the government being necessary.

The 100-bed nursing and convalescent center is devoted to the cure and rehabilitation of patients of all ages and to the care of the aged and infirm. Emery Manor's philosophy stresses the importance of individual dignity and every step is taken to provide the utmost of professional care and personal service in a home-like atmosphere.

Union Beach Supports Bayshore Comm. Hospital

Mr. Manuel Gale, vice president of the Board of Trustees, and Sheridan C. Snider, director, who appeared at the Union Beach Auxiliary for the Bayshore Community Hospital's meeting to present future plans for the hospital to the members of the Auxiliary were pleasantly surprised to find the Union Beach City Council represented by two members. Mrs. Ann Sauickie, President of the Auxiliary, introduced Mr. Philip Cassidy and Mr. Joseph Cunningham who presented to the hospital a check in the amount of \$1,000 from the Boro of Union Beach.

Receiving the check for the hospital, Mr. Gale thanked the Boro officials for their public demonstration of acknowledging the need for the facility and expressed the grateful appreciation of the Board of Trustees to all of the residents of Union Beach who have been working behind the scenes to raise money for the construction of the hospital. Mr. Gale then introduced Mr. Snider, who reviewed the architect's plan for the hospital and presented the rendering of the three-story structure to be built on North Beers Street in Holmdel Township, as well as a drawing of a typical patient accommodation.

Any resident of Matawan Township can bring his dog to the firehouses on the days mentioned and the dog will receive a rabies shot without charge to the owner. Dr. Earl Osterheld, D.V., of the Matawan Animal Hospital will be in attendance. It is not mandatory, but is recommended that dog owners obtain a license for their dog any week day from 9:00 a.m. to 5:00 p.m. from the township clerk at the Township Hall. The fee for a license is \$2.25.

Cultural Workshop Enrolls Ninety in Spring Session

The Children's Cultural Workshop of Matawan is pleased to announce that 90 children were enrolled in the spring session. The children, ranging in age from pre-kindergarten to sixth grade, are taking courses in art, creative dance and group lessons in piano and guitar, taught by the workshop's professional staff.

Spring session courses started March 12 at Strathmore Elementary School and will run through May 28.

The workshop, which is a non-profit, non-sectarian, cooperative venture administered by interested parents, hopes to expand its program for the fall. The future-programming committee is looking into various areas including science and physical education. The workshop is open to children in the Matawan Regional School District.

The ideas and active participation of parents are most welcome. For further information call Mrs. Evelyn Bieber at 566-5641.

"Scouting in Matawan"

"Service in Action" was the theme of Girl Scout Week, and the time for the Matawan Neighborhood Association of Girl Scouts to report on the service projects presently in process or in the planning stages.

Brownie Troop 495 is collecting used children's magazines for the Riverview Hospital, and Brownie Troop 529 is working on tray favors for Riverview. Brownie Troops 214, 440, Junior Troops 659, 529 and possibly others are planning an Arbor Day Cooperative for their sponsor. Brownie Troop 659 is working on an Easter welfare project; Junior Troops 224 and 553 are scheduled to go to Holmdel Nursing Home April 13 with tissue flowers and to present a Hootenany. Senior Troop 312 will visit a nursing home for the Easter holiday and is working on a conservation project for the community.

Junior Troop 229 will plant azaleas for their sponsor and Junior Troop 30 is also planting for their sponsor as their Arbor Day project. Cadette Troop 347 went to Cheesequake Park March 12 to plant seedlings and saplings, and Brownie Troop 645 will plant individual seedlings as their Arbor Day project for their sponsor. Other troops are still planning Arbor Day and other community projects.

This represents plans of the troops in Matawan Neighborhood as of Girl Scout Week and does not account for projects already completed.

Brownie Troop 495 reports a visit through the offices and plant of the Matawan Journal. Thomas Hart of the staff took the 20 girls and three leaders, Mrs. Charles Lubow, Mrs. Raymond Sinsheimer and Mrs. Irma Gold, on the tour and explained the various processes of gathering and printing the news. Each girl received a type slug nameplate as a souvenir.

The trip was made in conjunction with the Brownie level "Learning About Your Community" activity. This troop is sponsored by the Strathmore Elementary School P.T.O.

Girl Scout Junior Troop 224 hosted Brownie Troop 475 at a Juliette Low Tea held at the Strathmore School.

The White Rabbit Patrol opened ceremonies with a flag salute and the singing of "My Country," accompanied by Leslie Skvarla on the guitar. Brownies and Juniors played a game called "Peanuts." The significance of the Juliette Low Tea and World Friendship Fund was explained and the Brownies were told how the patrol system of leadership functions and how badges are earned. Karen Schlatterer recited the Girl Scout Promise.

The Blue Belle Patrol acted out the story of "Goldilocks" with Kathy Sullivan, Terri Galvin, Donna Merdinger and Heidi Fine participating. Jane Zanghi narrated.

The amount contributed to the World Friendship Fund by the Juniors was de-

termined by their shoe size and a week's dues; the Brownies contributed according to the amount of letters in their name.

Refreshments were served by Lynelle Chambers, Linda Levinson, Sherry Rippel and Roberta Pelkowski of the Butterfly Patrol. The girls closed festivities with a double handshake.

Mrs. Raymond Pelkowski and Mrs. Herman Honig are leaders of the Junior Troop and Mrs. Richard Hubbs and Mrs. James Smith head the Brownie group. Both groups are sponsored by the Strathmore School P.T.O.

The first Investiture Ceremony of the newly organized Brownie Troop led by Mrs. Elda Marotti, with Mrs. Ceil Noga as co-leader, was held at the Strathmore School before a group of parents and friends.

After the flag ceremony, Ondine Marotti read the Introduction to the Brownie Investiture. The story of the Brownies was acted out and the Brownie Smile Song completed the ceremony. Refreshments were prepared by Mrs. Noga.

The 18 Brownies invested at the ceremony were: Ondine Marotti, Anita Noga, Norma Conlon, Bryn Jaye Sheren, Peggy O'Neill, Kathleen Dunn, Ann Uhrick, Joy Bragen, Linda Zidlicky, Tami Worachnick, Mary Ann Fieux, Laura Quinn, Susan Shortell, Carol Ann Lawson, Linda Watson, Billye Bradley, Ronnie Lee and Bonnie Keys.

The troop is sponsored by the Strathmore School P.T.O.

Winners of the Matawan Neighborhood Association of Girl Scouts "Girl Scouting—a Promise in Action" Art Show held at Fiorino's Matawan Art Gallery were announced by co-chairmen Mrs. Morris Bogdonoff and Mrs. Vernon Ellison. Cadette Troop 347, led by Mrs. James Bentz, has reported completion of their Arbor Day project. Thirteen girls planted 20 small pine trees at Cheesequake State Park recently.

The troop further reports that the four girls who will represent them to help plan the Girl Scout float for the Memorial Day Parade are Amy Blumenthal, Anna Zinnsmeister, Cecelia Holland and Karen Green.

Mrs. C. Hymans, a Japanese mother from Strathmore, is scheduled to speak to the girls working on their World Heritage Badge.

A meeting will be held shortly for badge check, and at the end of May a Court of Awards will be held.

Foremost in the minds of the Matawan Neighborhood Association of Girl Scouts at their March meeting was "See You at HAO-Down" from 10 a.m. to 4 p.m., Saturday, March 26, at Convention Hall, Asbury Park.

After the discussion of final HAO-Down plans of the Neighborhood, Arbor Day plans, Camping Brochures and Field Day plans were discussed.

Camp brochures were distributed and it was noted that District 11 Girl Scout Day Camp will be held at Holmdel County Park this year.

For those interested a Day Camp Unit Leaders meeting will be held at Nomoco on May 18.

It was also announced that a Creative Workshop in out-of-doors would be conducted at Camp Sacajawea on April 27 and 28.

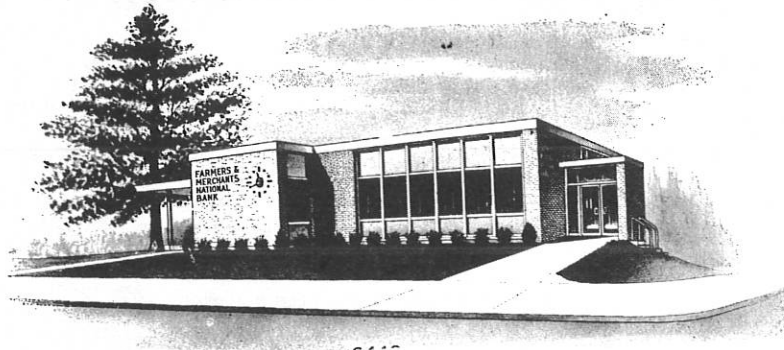

Senior Troop 312 of the borough is in charge of the May 21 Field Day plans. Physical Fitness and International Friendship is the co-theme for field day. Swaps for field day will be based on member countries in the World Association of Girl Guides and Girl Scouts.

Troops which have announced completed plans for Arbor Day in April are 475 and 645 of the Brownies; 36, 334, 229 and 553 of the Juniors, and 24 and 347 of the Cadettes.

Mrs. Richard Getshall, Neighborhood Chairman, reminded the group that the April 12 meeting would take place the evening school resumed after the Easter vacation.

A Style Show of Do's and Don'ts was featured at the Juliette Low Tea Cadette Troop 347 of the township held for 20 sixth grade Juniors from Troops 509 and 553 at the Strathmore Elementary School.

About 40 girls attended the tea, which featured a game called "Pin the Petal on the Daisy" for Juliette "Daisy" Low. Historic Inn Furthers Art Appreciation

A Matawan restaurant is moonlighting as a successful art gallery, with proceeds all going for a worthy cause. Since last spring, the Poet's Inn has been a showcase for works of members of the Monmouth Arts Gallery, a group devoted to helping talented young artists and making art available to the public. The Gallery is a division of the Monmouth Arts Foundation.

The pictures were an immediate hit with guests of the historic dining spot and to date 15 sales have been made. The displays are changed with the seasons and the current show is the Second Annual Spring Art Panorama.

Art Guild News

The Guild of Creative Art is open every day except Monday from 12 to 5 p.m. Currently on exhibition, through April 29, is Valdi S. Maris with a one-man show of his oil paintings.

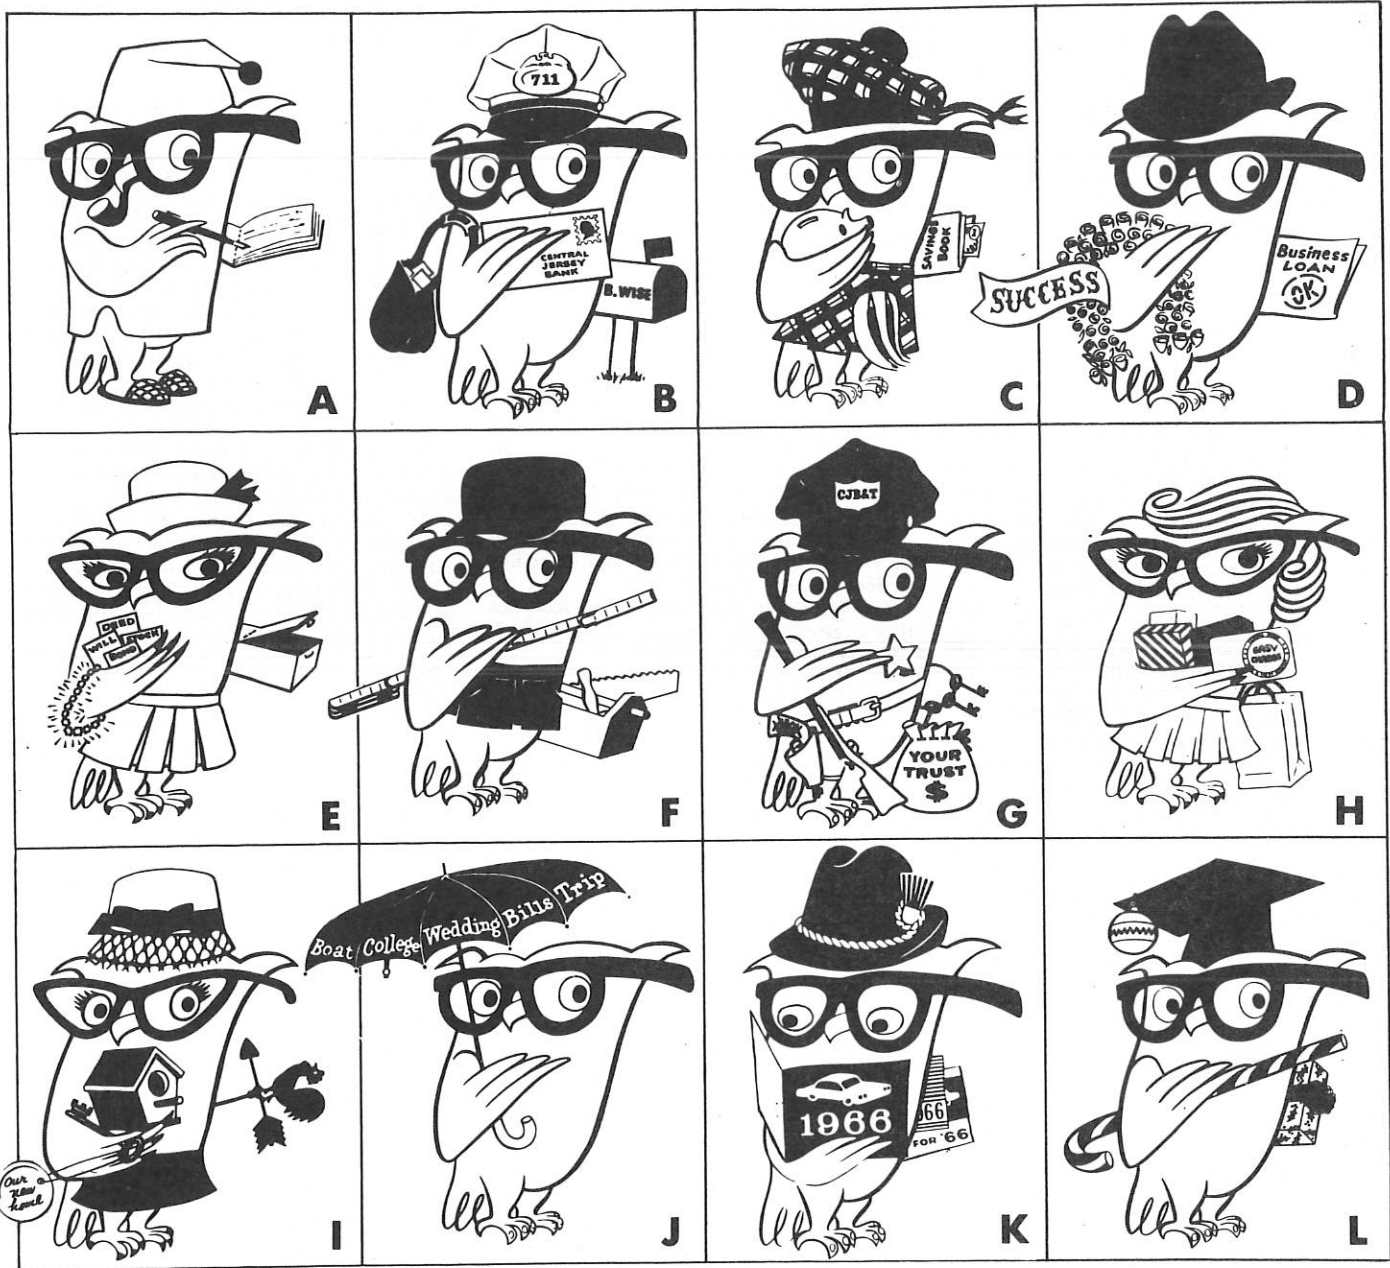

The art school has adopted two new features: oil landscape class and an 8-week course in figure drawing. There are some openings available in the other classes. The Guild meets on Sunday, April 24, at 6:30 p.m. and welcomes new members. The Jury will meet on Sunday, April 17, to review the work of all who wish to become associate or exhibiting artists. They are requested to please bring seven examples of their work on Friday, April 15, or Saturday, April 16.
