

# Check out a Public Library Book for Windows 8

## Instructions:

### First, install the OverDrive Media app using the windows store

- Go to the Windows store (green square with shopping bag in the middle)
- Search for OverDrive Media Console
- Choose “OverDrive Media Console” app and click “Install”
- Once downloaded, tap on the app to open

### Finding your library on the OverDrive App

1. Search through Apps to find the OverDrive app on your device.
2. Tap the ADD A LIBRARY button and search for Matawan.
3. Click on eLibraryNJ to begin searching for your books.
4. Sign in and search for Libraries of Middlesex Automation Consortium.
5. Enter your library card number and pin. Your pin is the last 4 digits of your library card number
6. Now you can search for available titles. Once you find the title you like, click on the title and tap on “Borrow”
7. Tap on “Download”
8. Select “EPUB eBook”
9. Tap on “Confirm and Download”
10. Once downloaded, tap on “Go to Bookshelf”
11. When in bookshelf, tap on the three bars in a circle icon in the upper right hand corner.
12. Tap on Authorization
13. From here you can use your OverDrive Account or if you have an Adobe account to read your books you borrow.
14. To read the book, simply tap on the book you want to read and enjoy.
