

# Guide to Using eLibraryNJ eBooks on your Mac or PC

## If you wish to read books in a web browser:

1. Connect your computer to the local Wi-Fi network.
2. Go to [www.eLibraryNJ.com](http://www.eLibraryNJ.com) in a web browser. At the top of the webpage, click **Sign In**, choose **Libraries of Middlesex Automation Consortium**, and input your Library Card # and PIN #.
3. Browse the site for the book of your choice. To read in a browser, click on **Borrow**, and then next to the title, click on **Read (In your browser)**.

## If you wish to read books offline in Adobe Digital Editions:

### Before you begin:

- Adobe Digital Editions is free software, and is available from eLibraryNJ's website if you do not already have it installed.
- Once installed, you will have to register Adobe Digital Editions to an AdobeID. You can do this by clicking on **Library**, and then **Authorize Computer**. Follow the steps to registering, and click **Finish**.
